

Wernher von Braun

The Rocket Team and

U.S. Space Exploration 1945-1977

Bob Ward, former editor of the *Huntsville Times* and biographer of Wernher von Braun, will offer a diverse presentation on the importance of von Braun's Rocket Team to America's space program and national defense.

Lockheed-Martin Senior Engineer David Christensen will lead a panel discussion by Rocket Team members Dr. Ernst Stuhlinger, Konrad Dannenberg and Werner Dahm.

Thursday

October 23, 7-9^{PM}
